GERNIKA

ENG

You can't leave without trying...

Cod. A good plate of cod "Bizkaina", "pil pil" or "ajo arriero" style. A cook from Gernika has won the "King of the Cod" competition several years' running.

Cheese. Idiazabal cheese, either as a pre-lunch appetiser or as dessert: It's exquisite in both cases.

Beans. A good plate of local beans stew, especially when the weather is cold.

Green peppers. Some local green peppers fried with just a pinch of salt.

Gernika

Txakolina. A good glass of txakoli wine, a wine made lovingly in Gernika that has won several prestigious Golden Bacchus awards.
